McAllen Mission Healthcare is a critical and complex healthcare safety net provider in South Texas, serving nearly half a million people in 1,500 square miles. The organization's complex mission mandates that it function seamlessly across the continuum of care, from the emergency room to acute care, and support the more than 60 federally qualified health centers located in five border counties of Texas. Its safety net mandates require that it protect the health and safety of the most vulnerable among us by ensuring a continuum of accessible and affordable health and health care. McAllen Mission Healthcare, the Health and Wellness Department and the in-house consulting organization Health by Design, Inc., are currently searching for a Senior Project Leader in the Inpatient and Emergency Department Services area to serve as the Clinical Project Manager (CPM) for the Quality and Safety team.

The Inpatient and
