This is a classic love story, about a man who can not live without love and a woman who, in her time, had to work out what the love story meant. Their love story takes place in Montreal and brings to light the story of heroes who fought during the First World War, both in France and Serbia. Most of the French soldiers were killed during the war, but there was still love on both sides. This is a great and inspiring book to read in 2016. The book is written in French. I read it in English. The translation is very good. "This book has earned the honor of a silver medal in the 2016 Prix Aurora Awards." I found this book very interesting. The love story is interesting and the book is well written. I read the book in English and the translation is very good.#!/bin/bash if [-z "\$1"]; then echo "Usage: \$0 test_label" exit -1 fi if [-z "\$2"]; then echo "Usage: \$0 test_label [test_case]...
